Dreaming of a peaceful West Side location in the heart of Atascadero yet only minutes to downtown and the 101 with an incredible country feel set amongst the oaks? Welcome to 9800 Caleta Lane! Tucked in a private and serene cul-de-sac find your spacious and stylish 3 bedroom 3 bathroom elegant estate with gorgeous finishes on just over an acre of usable land! Talk about living the good life!!! Step inside to cathedral ceilings and your renovated open great room. The fireplace is adorned in stylish custom tile, a smooth finish hickory mantle and French Doors and windows line the south end of the living room flooding the room with natural light. At the kitchen find your enormous center island with quartz counters atop sleek shaker style cabinets. You'll also find stainless steel appliances and open rustic barn wood shelving accents! The formal dining room offers plenty of room for a 10-12 seat dining table! At the West end of the home find your primary retreat, a sanctuary with walk in closet and en-suite bathroom with dual sinks, glass enclosed shower and a soaking tub overlooking the oak forest. At the opposite side of the home find your guest bedrooms, guest bathrooms, spacious laundry room and attached single car garage. Just outside your detached oversized two car garage with an RV barn too! The back yard is dreamy and offers an expensive covered and open patio, perfect for relaxing with a glass of Central Coast wine for hours on
